The Budget Team Members are listed below. Many thanks go out to all of those that assisted in the budget development process.

Key Considerations Regarding the Recommended FY22 Budget:

The Manager's recommended budget provides a sound basis and balanced budget plan for managing the upcoming fiscal year's revenues and expenditures across all fund types.

The FY22 budget is comprised of 14 funds and is balanced at \$180,183,862 in gross revenues and expenditures.

As in previous years, the recommended budget prioritizes Education, Public Safety, and Health & Human Services.

The recommended FY22 budget maintains the County General Fund (100) tax rate at .510/\$100 of valuation, maintains the Advanced Life Support Fund (200) tax rate at .04/\$100 of valuation, and recommends increasing by .01 (1 penny) the Rural Fire Protection District Fund (215) tax rate from .095/\$100 to .105/\$100 of valuation.

One penny on the General Fund and Advanced Life Support tax rate is projected to generate \$1,413,084 in revenue. One penny on the Rural Fire Protection District tax rate is projected to generate \$497,822.

The recommended FY22 budget preserves the competitiveness of the County employee benefits and compensation package by fully funding existing benefits including an increase to retirement required by LGERS and an increase to County contribution of employee insurance of \$500, incorporating a 3% C.O.L.A. effective January 1, 2022, including a provision for an additional 16 hours of "Pandemic Endurance Leave" over each of the next four fiscal years. The proposed budget also includes an increase to dependent insurance premiums of 5%.

The recommended FY22 budget proposes adding 11 full-time and 3 part-time positions bringing the total number of full-time positions to 706 and the total number of part-time positions to 10. Nine (9) of the full-time and 2 of the part-time positions are in General Fund (100) departments; 2 of the full-time and 1 of the part-time positions are in Enterprise Fund (600/610) departments.

The recommended FY22 budget funds Moore County Schools at \$48,927,582 including Current Expense, Capital Outlay, Digital Learning, and Debt Service.

The recommended FY22 budget funds Sandhills Community College at \$7,622,030 including Expense and Debt Service. Debt Service also includes funding/financing of Foundation Hall.

Funding in the recommended budget does not include appropriating unassigned fund balance to any fund with the exception of the Rural Fire Protection District Fund (215).

Each of the Enterprise Funds includes a transfer to capital reserve totaling \$1,754,025 across the three funds. Fee increases for connections, base rates, and usage for funds 610 and 620 are recommended for FY22.

The recommended FY22 budget does not include an allocation of American Rescue Plan funds.

Total Debt Service for FY22 is \$29,176,235 with General Fund (100) debt service at \$25,777,006 and Enterprise (600, 610, 620) debt service at \$3,399,229.

Increases to thresholds for formal and informal bidding, bid award and rejection, contract execution authority, and when a contract is required vs a purchase order are recommended for FY22. These modifications will streamline the purchasing process, continue to adhere to statutory requirements, and continue to minimize risk of fiscal exposure in the purchasing/procurement process.

I offer my thanks to everyone that contributed time and expertise to developing the recommended Fiscal Year 2022 budget. It truly continues to be a team effort each year and the team approach has proven to be a very effective method of developing the budget.
